Transportation Services Department

2020 Service Area Summary - Rail Construction Program

The Transportation Services Department brings together all services related to the mobility of the city, integrating the planning, implementation, operations and delivery of all modes of transportation. Every service and project delivered by the department impacts how people commute – whether by train, bus, car, bicycle, walking or a combination of these – both now and in years to come.

The role of the Rail Construction Program is to lead the close-out of the Stage 1 O-Train Confederation Line Light Rail Transit (LRT) project and lead the construction and implementation of the Stage 2 LRT project.

The O-Train Confederation Line provides rapid and high-quality transit service from Tunney's Pasture Station in the west to Blair Station in the east. The Stage 2 Project will extend the Confederation Line from Tunney's Pasture to Baseline Station and Moodie Station in the west and from Blair Station to Trim Road in the east. Stage 2 LRT will also extend the existing Trillium Line farther south to Limebank Road, with a new rail link to the Ottawa Macdonald-Cartier International Airport. Several municipal infrastructure projects are also bundled with the Stage 2 project along with the delivery of works and activities associated with the City's Memorandum of Understanding with Rideau Transit Group (RTG) to support and maintain the expanded Confederation Line. The Rail Construction Program administers the contracts with the Stage 1 construction consortium, RTG, and the Stage 2 project consortiums, East West Connectors (EWC) and TransitNEXT for the O-Train Confederation Line and Trillium Line expansion project respectively.

Programs/Services Offered

- Ensure technical compliance with the Project Agreements requirements for each project
- Lead the design and construction of the O-Train Confederation and Trillium Line extensions, civil works, environmental controls, traffic and facilities, including stations, tracks and tunnels, rail systems, vehicles, testing and commissioning and integration with the existing system
- Manage the projects scope, cost and schedule

- Manage risk, scope, change and dispute resolution
- Identify land and property requirements
- Coordinate planning works to support Official Plan (OP) land use goals, Transportation Master Plan (TMP) goals, and arts and culture
- Coordinate urban design and support business development opportunities
- Lead all rail related City bundled projects
- Manage communications for all projects associated with light rail construction, including stakeholder relations and community engagement
- Administer the Public Art Program for light rail capital projects
- Administer senior government contribution agreements
- Oversee completion and administration of related property acquisitions, easements (both temporary and permanent), as well as third party agreements

Innovative Client Services Department

2020 Service Area Summary - Public Information and Media Relations

Public Information and Media Relations (PIMR) informs and engages City of Ottawa residents on municipal services, programs and initiatives. PIMR provides communications and engagement advice and ensures information to residents is aligned with the City of Ottawa's priorities.

The department delivers strategic communications by:

- Aligning and integrating communications initiatives for City priorities across the corporation
- Harnessing new technology with a focus on informing and engaging the public
- Managing the City's emergency communications in support of the Office of Emergency Management, with the Director PIMR as the Emergency Information Officer for the City

Programs/Services offered

Public Information and Media Relations consists of three branches:

Public Information – Outreach: leads the Public Engagement Strategy, engages with citizens via the City's social media channels, leads the communications and stakeholder relations for major City-building projects, manages the City's advertising and measures the effectiveness of communications plans and projects.

Public Information – Communications: develops the Corporate Annual Communications Calendar, communicates City priorities and services to the public, and develops media products

Media Relations and Legislative Support: responsible for media relations, media monitoring, issues management, events and the development of speaking notes, provides strategic communications advice on the legislative agenda, supports the communications needs of Chairs, Committees and departments, and develops Committee and Council updates for the public

Innovative Client Services Department

2020 Service Area Summary - ServiceOttawa

ServiceOttawa is the first stop for City information and services for residents, businesses, visitors and internal partners, through a choice of channels providing reliable and high-quality information and services. As the service responsible for the front-end customer experience, a consistent and positive client experience is provided across multiple channels.

Programs/Services Offered

City services are available through ottawa.ca and other key websites, email, by calling 3-1-1, or by visiting one of the seven Client Service Centres (CSC) or three Provincial Offences Act (POA) counter sites.

Information and services are provided on behalf of city departments and various levels of government. Additionally, ServiceOttawa plays a key role in liaising with, and dispatching critical services. ServiceOttawa supports departments through expertise in web tools and technology, processes and practices to support the on-line self-service channel, and the oversight and day-to-day operations of ottawa.ca. Additionally, ServiceOttawa works closely with partner departments to ensure that the right information and services are available to residents, businesses and visitors 24/7.

In 2018, ServiceOttawa supported over 8 million online visits to ottawa.ca, 3-1-1 agents answered approximately 540,000 client inquiries over the phone, responded to 9,200 emails from residents, businesses and visitors, and nearly a quarter million in-person transactions were completed through the CSC and POA offices. This ultimately generated \$230 million in revenue that was handled by ServiceOttawa.
