COMMUNITY FUNDING FRAMEWORK POLICY STATEMENT AND NEXT STEPS

ACS2020-CSS-GEN-0003

CITY WIDE

REPORT RECOMMENDATION

That the Community and Protective Services Committee recommend Council:

- 1. Approve the Community Funding Framework Funding Policy Statements for the new Community Funding Framework (ACS2019-CSS-GEN-0012, approved by Council on September 25, 2019), as outlined in this report.**
- 2. Delegate authority to the Manager, Partner and Stakeholder Initiatives, to manage and administer the Community and Social Services Department Community Funding budget as detailed in this report and allocate all community funding in accordance with the Community Funding Framework Funding Policy Statements attached as Document 1 to this report, provided such allocations are within approved budgets.**

Clara Freire, Manager, Partner and Stakeholder Initiatives gave a PowerPoint presentation on the report. A copy of the presentation is held on file in the City Clerk's office.

Following the presentation Clara thanked staff for the work done on this file.

- Sarah Mullen, Analyst, Policy Research

- Manuela Popovici, Program Coordinator, Partner and Stakeholder Initiatives
As well as others in the department.

Committee Members posed various questions:

- The \$150,000 transferred from the Older Adult Plan to the Sustainability Fund will not cause any hardships in the Older Adult program.
- There are no cuts to the Community Fund, just additional money from the transfer.
- There is a realisation that not all groups are able or comfortable in writing grant requests so there will be a Grant Writing Workshop to assist.
- The long-term funding will help many groups plan for the future.

The report recommendations were put to Committee and CARRIED as presented.

DIRECTION TO STAFF

That staff report back to Community and Protective Services Committee and City Council on the results of the Community Funding, Sustainability Fund allocation process before the end of September 2020.
