# INDEPENDENT AUDITORS' REPORT

To the Board Members, Members of Council, Inhabitants and Ratepayers of  
**The Carp Road Corridor Business Improvement Area**

We have audited the accompanying financial statements of **The Carp Road Corridor Business Improvement Area**, which comprise the statement of financial position as at December 31, 2016 and the statements of operations, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

## Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **The Carp Road Corridor Business Improvement Area** as at December 31, 2016 and the results of its operations, changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## **NOTES TO THE FINANCIAL STATEMENTS**

**DECEMBER 31, 2016**

### **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of presentation**

The financial statements of The Carp Road Corridor Business Improvement Area [the "BIA"] are the representation of management prepared in accordance with accounting principles generally accepted for the public sector as prescribed by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. Since a precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic financial statements necessarily involves the use of estimates and approximations. These estimates and approximations have been made using careful judgment.

#### **Accrual accounting**

Revenues and expenses are reported on the accrual basis of accounting.

The accrual basis of accounting recognizes revenue as it becomes earned and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services.

Government transfers are recognized in revenue in the fiscal years during which events giving rise to the transfer occur, provided the transfers are authorized, eligibility criteria and stipulations have been met and reasonable estimates of the amounts can be made.

#### **Financial instruments**

The financial instruments of the BIA consist of cash and cash equivalents, accounts payable and accrued liabilities. Unless otherwise noted, it is management's opinion that the BIA is not exposed to significant interest, currency or credit risks arising from these financial instruments.

#### **Tax revenue**

Annually, the City of Ottawa bills and collects tax levies as well as payments in lieu of taxes on behalf of the BIA. Tax revenue consists of non-exchange transactions. It is recognized in the period to which the assessment relates and reasonable estimates of

amounts can be made. Annual revenue also includes adjustments related to reassessments or appeals related to prior years.

## **2. RELATED PARTY TRANSACTIONS**

The BIA purchases certain services from companies controlled by the Board of Directors' members and company executives in the normal course of business at commercial rates. In addition, the BIA is related to all entities under control of the City of Ottawa. As at December 31, 2016, nil [2015 – nil] is included in accounts payable and accrued liabilities.

## **3. TAX REVENUE**

Tax revenue is comprised of the following:

Table 10 - Tax revenue breakdown

	<b>2016</b>	<b>2015</b>
	\$	\$
General tax levy	<b>114,889</b>	114,780
Supplementary assessments	<b>162</b>	9,796
Remissions	<b>(8,588)</b>	(1,775)
Vacancy rebates	<b>(164)</b>	(215)
	<b>106,299</b>	122,586
