Primary reasons for support, by individual

Murray Chown, Greater Ottawa Home Builders' Association (GOHBA) (oral submission)

- thanked staff for recognizing errors, flaws or points of clarification that were required to the amendments for both the infill amendments and the R4 amendments that were passed by Council last fall, and moving quickly to try to address those so the By-law could be cleaned up and be a more functional By-law moving forward
- acknowledged this report gives effect to a settlement that was negotiated between GOHBA and staff on an appeal they filed with respect to the Infill Amendments, and that it will be helpful for everybody to have that matter resolved as quickly as possible
- anticipated that GOHBA will continue to identify details of the By-law that may need to be tweaked going forward, meaning a similar report may come to committee down the road when they have had more time to work with the By-law

THEREFORE BE IT RESOLVED that the words "Despite subsection
