Primary concerns, by individual

None provided

Primary reasons for support, by individual

Serene Shahzadeh, Novatech (applicant) (written submission)

- noted the proposal was submitted concurrently with a Site Plan application to facilitate the establishment of a fourth unit in the basement of each of the two existing triplexes
- provided points to support that the development is desirable and represent good land-use planning in the urban area, noting: low-rise apartment dwellings are a permitted use within the R4H zone; the existing building envelopes will not be altered and, with the exception of providing bicycle parking and garbage storage in the rear yards, only interior renovations will occur on site; the proposed conversion will have no impacts on the neighbourhood in terms of massing, streetscape, or lot fabric; the proposed conversion will provide additional housing units, contributing to intensifying the urban area

Effect of Submissions on Planning Committee Decision: Debate: The Committee carried the item on consent, without discussion or debate

Vote: The committee considered all written submissions in making its decision and carried the report recommendations as presented
