4. **Que le Conseil adopte un règlement sous la forme présentée au Document 1 ci-joint, visant à établir les taxes provisoires 2018, les échéances pour l'impôt, les amendes et les frais d'intérêt.**

BACKGROUND

Sections 342, 343 and 345 of the *Municipal Act, 2001* require that tax due dates, penalty and interest percentage charges be approved by City Council. The interim and final due dates do not apply to those taxpayers who are registered in the City's Pre-Authorized Debit Plan or those registered under the full tax deferral program for low-income seniors and low-income persons with disabilities.

Section 317 of the *Municipal Act, 2001* requires Council to establish a by-law which sets interim tax billing for uncapped classes (residential and pipeline) and capped classes (commercial, industrial and multi-residential). The amount raised by the interim bill cannot exceed 50% of the previous year's adjusted annualized taxation.

DISCUSSION

For the collection of property taxes, the *Municipal Act, 2001*, requires that Council approve by by-law an interim tax billing up to 50%, tax due dates, alternative instalments, due dates to allow taxpayers to spread the payment of taxes more evenly over the year, and penalty and interest percentage charges.

Interim tax billing in the amount of 50% of the previous year's taxes and due dates for the interim billing of March 15, 2018, with the remaining amount owing in the final billing of June 21, 2018 are recommended. These fixed due dates do not apply to registered preauthorized debit tax accounts or those registered under the full tax deferral program for low-income seniors and low-income persons with disabilities.

The penalty and interest charges are recommended to be maintained at 1.25% per month. These recommendations are consistent with those of previous years.

Recommendation 1

This recommendation sets the 2018 interim tax billing at 50% of the 2017 Adjusted/Annualized Taxation. This rate is consistent with prior years.

Recommendation 2

This recommendation sets the 2018 tax due dates as March 15, 2018 (interim) and June 21, 2018 (final). These dates fall on the third Thursday of the month. Having the tax due dates fall on the third Thursday has been the City's practice for many years. The predictability of these dates benefits many taxpayers and eases the City's administrative planning.

Recommendation 3

The *Municipal Act* requires that Council set interest and penalty rates. These rates are consistent with prior years and are set to encourage prompt payment to compensate the City for the cost of money and the administrative costs of dealing with late payments. The rate of 1.25% per month is the maximum permitted by the *Municipal Act, 2001* and is used by most Ontario municipalities.

Recommendation 4

Staff recommend that Council enact a by-law in the form attached as Document 1 to establish the 2018 interim taxes, tax due dates, penalty and interest charges because the *Municipal Act, 2001* requires that these aspects of property tax collection be set by by-law. The by-law also includes direction on the City's pre-authorized debit plan for property taxes as authorized by s. 342 of the *Municipal Act, 2001*.
