RECOMMANDATIONS DU RAPPORT

**Que la Commission de services policiers d'Ottawa prenne connaissance du
présent rapport à titre d'information.**

BACKGROUND

In December 2005 the Ottawa Police Services Board received a report from the City of Ottawa's Auditor General on the Board's governance practices. One of the Auditor's recommendations addressed the need for a calendar of monitoring requirements. He recommended that the Board:

“...exercise more aggressive oversight of reporting to the Board by ensuring that the Executive Director organize and maintain an annual calendar of monitoring and other reports to be received by the Board. Furthermore, that the Board require reports to appear as an agenda item on the date they are scheduled to appear, and require

OPS senior management to formally respond if a report is not going to meet a scheduled deadline.”

Following input and review by the Board’s Policy & Governance Committee and OPS staff, the Police Services Board approved a Calendar of Monitoring Requirements in 2006 and has done so each year since.

Included in the 2020 Calendar attached as Document 1 is a column indicating the reason why each report is required; in most cases they are required under the Police Services Act, the Province’s Adequacy and Effectiveness of Police Services Regulation, or the Board’s own policies.

Also included is a “Status” column to record delays in submitting a report, the reason for the delay, and the new date on which the report will be submitted. The Board is notified of changes in report due dates through the submission of quarterly status reports to the Board. This report constitutes the status report for the second quarter of 2020.

As shown in the chart attached as Document 1, all of the reports scheduled to be received in the second quarter were received with the exception of the Annual Report for 2019, which is coming forward in July as the Statistics Canada Canadian Centre for Justice Statistics extended the 2019 Uniform Crime Reporting verification process as a result of the pandemic.

SUPPORTING DOCUMENTATION

Document 1 - Ottawa Police Services Board Annual Calendar of Monitoring Requirements: January – December 2020, Second Quarter Update

CONCLUSION

An annual Calendar of Monitoring Requirements sets clear expectations for OPS staff and the Board with regard to when reports of a monitoring nature are due. It assists the Board in meeting its legislative obligations to monitor, on a regular basis, certain aspects of Police Service business such as the status of the budget, administration of the public complaints system, and the achievement of Business Plan objectives, as well as compliance monitoring required by several of the Ministry Policing Standards.
