RECOMMANDATIONS DU RAPPORT

Que le Comité des finances et du développement économique et Conseil municipal prenne connaissance de ce rapport.

BACKGROUND

Section 284 of the *Municipal Act, 2001* requires the City to submit a Statement of Remuneration, Benefits and Expenses paid to Members of Council (Document 1) and Council Appointees (Document 2) by March 31 of the following year. This report provides the information being submitted for 2018.

Remuneration includes salaries, retirement allowances and honorariums. Benefits consist of long-term disability, life insurance, extended health care, dental care, Ontario Municipal Employees Retirement System (OMERS) and other taxable benefits. Travel allowances are comprised of monthly car allowances and/or the taxable benefit portion of transit and/or parking passes. Expense reimbursements are for direct payments made to Members of Council and Council appointees for out-of-pocket expenses such as hospitality, computer supplies and equipment and office supplies.

Council office budget expenses are not included in this report nor the attached statement. A report on the 2018 Office Budget expenses for all elected representatives will be released by the City Clerk's Office on or before March 31, 2019.

DISCUSSION

The salaries and benefits for elected representatives are in accordance with 2018 rates approved by Council during the 2018 budget approval.

Expense reimbursements are issued for attendance at meetings or conferences and for out-of-pocket expenses. The reimbursements issued can be from the City or other organizations.

Document 1 lists the salary, transition allowance, benefits, travel allowance and expense reimbursements paid by the City or other organizations for each elected representative.
