REPORT RECOMMENDATION

That the Finance and Economic Development Committee and Council receive this report for information.

Councillor Harder was pleased with the reduction in the overall value of the contracts by 54 per cent but questioned staff about accessibility and purchasing. Specifically, she asked about the cost of the accessibility criteria and purchasing and whether the City continues to exceed the rules in place by the Province.

Will McDonald, Chief Procurement Officer advised that the City is achieving its objectives under the legislation. Not having the details on the cost on hand, he offered to provide a response to members of Council prior to the Council meeting of 10 May 2017.
