Change a life. Support a Special Olympics Athlete

You can change the life of a Special Olympics Athlete by donating to the **Adopt an Athlete** program. By doing so, you'll be contributing directly to the Athletes so they can participate in the 2015 Special Olympics Provincial Floor Hockey Championships.

We need your support to make these games happen.

We're asking people to challenge their recreational sports teams, coworkers, local businesses, family, neighbours or community groups to sponsor one or more Special Olympics Athletes at \$500 each.

Ontario athletes come from many neighbourhoods and local communities. Through hard work and determination, athletes have qualified for the competition due to their outstanding performance.

There are many costs associated with a Provincial tournament and your contribution will help offset travel expenses for Special Olympics Athletes including transportation, meals, competition facilities and accommodations.

Your support has a two-fold benefit; sponsoring Special Olympics floor hockey athletes who are competing, as well as investing in the legacy of awareness and greater opportunities for people with an intellectual disability.

A total of 384 Athletes are looking forward to the Provincial Championship – which also serves as a qualifier for the 2016 National Winter Games in Corner Brook, Newfoundland.

The Ottawa Police Service is co-hosting the Provincial Championship in partnership with Ottawa Sports and Entertainment Group from May 7-9 at Carleton University.

Adopt-an-Athlete today at www.specialolympics2015floorhockey.com to give an Athlete your support and commitment that will truly make a difference in their life.

Additional sponsorship opportunities are also available at www.specialolympics2015floorhockey.com.

Sincerely,

Chief Charles Bordeleau
Co-Chair
Ottawa Police Service
