Transportation Services Department

2021 Service Area Summary - Rail Construction Program

The Transportation Services Department brings together all services related to the mobility of the city, integrating the planning, implementation, operations and delivery of all modes of transportation. Every service and project delivered by the department impacts how people commute – whether by train, bus, car, bicycle, walking or a combination of these – both now and in years to come.

The role of the Rail Construction Program is to lead the close-out of the Stage 1 O-Train Confederation Line Light Rail Transit (LRT) project and lead the construction and implementation of the Stage 2 LRT project.

The O-Train Confederation Line provides rapid and high-quality transit service from Tunney's Pasture Station in the west to Blair Station in the east. The Stage 2 Project will extend the Confederation Line from Tunney's Pasture to Baseline Station and Moodie Station in the west and from Blair Station to Trim Road in the east. Stage 2 LRT will also extend the existing Trillium Line farther south to Limebank Road, with a new rail link to the Ottawa Macdonald-Cartier International Airport. Several municipal infrastructure projects are also bundled with the Stage 2 project along with the delivery of works and activities associated with the City's Memorandum of Understanding with Rideau Transit Group (RTG) to support and maintain the expanded Confederation Line. The Rail Construction Program administers the contracts with the Stage 1 construction consortium, RTG, and the Stage 2 project consortiums, East West Connectors (EWC) and TransitNEXT for the O-Train Confederation Line and Trillium Line expansion project respectively.

Programs/Services Offered

- Ensure technical compliance with the Project Agreements requirements for each project
- Lead the design and construction of the O-Train Confederation and Trillium Line extensions, civil works, environmental controls, traffic and facilities, including stations, tracks and tunnels, rail systems, vehicles, testing and commissioning and integration with the existing system
- Manage the projects scope, cost and schedule

- Manage risk, scope, change and dispute resolution
- Identify land and property requirements
- Coordinate planning works to support Official Plan (OP) land use goals, Transportation Master Plan (TMP) goals, and arts and culture
- Coordinate urban design and support business development opportunities
- Lead all rail related City bundled projects
- Manage communications for all projects associated with light rail construction, including stakeholder relations and community engagement
- Administer the Public Art Program for light rail capital projects
- Administer senior government contribution agreements
- Oversee completion and administration of related property acquisitions, easements (both temporary and permanent), as well as third party agreements

Innovative Client Services Department

2021 Service Area Summary - ServiceOttawa

ServiceOttawa is the first stop for City information and services for residents, businesses, visitors and internal partners, through a choice of channels providing reliable and high-quality information and services. As the service responsible for the front-end customer experience, a consistent and positive client experience is provided across multiple channels.

Programs/Services Offered

City services are available through ottawa.ca and other key websites, email, by calling 3-1-1, or by visiting one of the seven Client Service Centres (CSC) or three Provincial Offences Act (POA) counter sites.

Information and services are provided on behalf of city departments and various levels of government. Additionally, ServiceOttawa plays a key role in liaising with, and dispatching critical services. ServiceOttawa supports departments through expertise in web tools and technology, processes and practices to support the on-line self-service channel, and the oversight and day-to-day operations of ottawa.ca. Additionally, ServiceOttawa works closely with partner departments to ensure that the right information and services are available to residents, businesses and visitors 24/7.

In 2019, ServiceOttawa supported over 8 million online visits to ottawa.ca, 3-1-1 agents answered approximately 540,000 client inquiries over the phone, responded to 18,300 emails from residents, businesses and visitors, and 143,800 in-person transactions were completed through the CSC and POA offices. This ultimately generated \$241 million in revenue that was handled by ServiceOttawa.

<p>Funding is required to replace the City's current Point of Sale (POS) software, which is end of life, with a more versatile solution designed for municipal use that has the functionality needed to effectively and efficiently manage the City's growing payment processing demands. The system will fully integrate to Tax, Water, Parking, Provincial Offences, Library and other financial revenue tracking systems used to process payments and allow the City to leverage cheque eDeposit technology. The new software will also provide more streamlined staff and client experience.</p>		2021 Request	1,000	Projected Yearend Unspent Bal.		0
