CARRIED

PLAN REGARDING INNOVATIVE MODELS OF CARE FOR LONG TERM
CARE HOMES

ACS2021-CCS-CPS-0003

CITY WIDE

REPORT RECOMMENDATION

That the Community and Protective Services Committee recommend City Council approve that staff be directed to present to Committee and Council a plan regarding transformative culture change i.e. adapting innovative models of care such as The Butterfly Model by Q2 2021.

REPLACED by the following motion:

Motion

Moved by Vice-Chair K. Egli

WHEREAS the COVID-19 pandemic, has highlighted issues within the Long Term Care home system; and

WHEREAS these issues are not new and existed long before COVID-19 began. Now more than ever, there is a pressing need to change the system so that residents in LTC homes are safe, comfortable, and live with dignity and quality of life; and

WHEREAS the COVID19 pandemic has further highlighted the importance of quality Long Term Care facilities and with the City of Ottawa operating 4 long term care homes; and

WHEREAS the Community and Protective Services committee recognizes that due to the COVID-19 pandemic, the City-operated homes have needed to shift their priorities to focus on outbreak prevention, containment of the virus and implementation of changing directives, which has resulted in significant resource pressures during the emergency response;

THEREFORE BE IT RESOLVED that the following revised recommendation be approved:

That the Community and Protective Services Committee direct staff to present to Committee and Council a Dementia Care Strategy Framework

for the City's Long-Term Care homes which focuses on innovative dementia care models by Q4 2021.

CARRIED

DIRECTION TO STAFF

That staff provide a memo to Committee detailing the resources, funds, and circumstances needed to successfully pilot a model of care such as the Butterfly Model detailed in this report.
