That the Planning Committee approve the addition of the following Item to the agenda for consideration by the Committee at this meeting, pursuant to Section 89(3) of the Procedure By-Law:

- **Official Plan Review.**

CARRIED

Motion N° PLC 68/9

Moved by Chair J. Harder

WHEREAS it is required by the *Ontario Planning Act* that the Official Plan be regularly updated to ensure that the plan implements any changes to the Provincial Policy Statement or provincial plans; and

WHEREAS an official plan update provides an opportunity to ensure the Official Plan continues to address local priorities and changing community needs; and

WHEREAS an update is required to be completed ten years after a municipality prepares a new comprehensive official plan or every five years where the comprehensive review is to update an existing Official Plan through an amendment to the plan; and

WHEREAS the current policy framework in the Official Plan reflects an approach to growth management that has been in effect since amalgamation, almost fifteen years; and

WHEREAS the last official plan review was completed in 2013 as a comprehensive review to update the official plan requiring the next review to be initiated in 2018; and

WHEREAS changes to the *Planning Act* allow a new Official Plan to have a longer implementation and review period (10 years) than the traditional five-year review cycle for an updated plan;

THEREFORE BE IT RESOLVED that Planning Committee recommend to Council that:

1. Planning, Infrastructure, and Economic Development staff begin a Comprehensive Review of the Official Plan under the Provincial Policy Statement and a conformity review under Section 26 of the *Planning Act* for purposes of developing a new Official Plan for the City; and
2. That staff bring forward the findings of Ottawa Next: Beyond 2036 study, as directed by Motion PLC 36/7, a detailed work plan and budget for the Official Plan review at the first Planning Committee meeting of the next term of Council.
