- The Sound Check program: They are talking to all festivals large and small and Anthony DiMonte, General Manager, Emergency and Protective Services stated that the SEAT (Special Events Advisory Team) would reach out to the Sound Check group.
- Travis Wing and students described the ManUp program and how to get other schools involved. Committee members stated that it would be good for the School Boards to help finance the worthwhile program.
- How are grants awarded through CPO? It is an open competition and evaluated with criteria.
