
ALL WAY STOP CONTROL AT THE INTERSECTION OF LONGLEAF DRIVE
AND SHAKEWOOD STREET/MONTCLAIR AVENUE

ACS2017-CCS-TRC-0019

INNES (2)

REPORT RECOMMENDATION

That the Transportation Committee recommend Council approve the installation of an all-way stop control at the intersection of Longleaf Drive and Shakewood Street/Montclair Avenue.

Philippe Landry, Director, Traffic Services, Transportation Services was in attendance and responded to questions.

The following delegations spoke in support of the recommendation

Kirstan Gagon, resident expressed concerns of visibility and speed at this intersection and firmly believed an all way stop will increase the safety of the residents in the neighbourhood.

Donna Leith-Gudbranson, President, Chapel Hill South Community Association acknowledged that it is local traffic using this intersection and not complying with posted speed limits. However, she has committed, through the Community Association and local school boards to provide ongoing consultation and education regarding enforcement and compliance.

Following discussion the Committee CARRIED the recommendation as presented with the following directions to staff:

DIRECTIONS TO STAFF

1. That Staff be directed to speak with Police Services regarding the installation of the all-way stop control, and notify them of the potential
