CITY OF OTTAWA MUNICIPAL SPORT STRATEGY 2017-2022

ACS2017-RCF-GEN-0003   CITY WIDE

REPORT RECOMMENDATIONS

> **That the Council approve the Municipal Sport Strategy (2017-2022) as described in this report and attached as Document 1.**

Dan Chenier, General Manager, Recreation, Cultural and Facility Services gave a brief introduction to the report before the Committee and introduced those who would be giving a PowerPoint presentation:

- Marcia Morris, Executive Director, Ottawa Sport Council

- Michelle Quinlan, Business Consultant, Project Management Office, Recreation, Cultural and Facility Services

- Michelle Morrisey, Program Manager, Project Management Office, Recreation, Cultural and Facility Services

A copy of the presentation is held on file with the City Clerk's office.

Following the presentation, Committee members had various questions and comments:

- o Will staff be back next year to outline priorities? Yes.

- o In depth discussion on facility needs assessment. Dan Chenier responded by saying that first is facility standards review which is partly completed. Then to develop standards of what we are determined to build. Followed by strategy and

to have a report before new council recommending a 10-yr plan with information on development charges

o Concerns that smaller communities are being missed out on infrastructure. Staff will provide analysis of what resources are needed, community by community, based on standards that Council approves and indicate what is needed to fill the 'gaps'.

Chair Deans thanked staff and the Sports Council for a job well done.

The report was CARRIED as presented.
