Primary concerns, by individual

Carolyn Mackenzie, Chair, Glebe Community Association Planning Committee
(written submission)

- It is a good project that for the Glebe, adding new housing units (hopefully some rental units)
- it's an end of block situation without any parking for the triplex units that are proposed
- it's probably taken a bit longer than the proponent and the Association hoped to get this project moving along, so they hope there can be some conversation going into the Comprehensive Zoning By-law Review that could expedite projects such as this, which will add some nice density done right to neighbourhoods like this
