**BACKGROUND**

The Ottawa Public Library Board is required to prepare a comprehensive report every 12 months on the Ottawa Public Library (OPL) activities throughout the preceding year. The annual report provides information regarding OPL's activities. Accordingly, the 2014 Annual Report is provided as information to the Board in the first quarter of the following year.

## **DISCUSSION**

The Annual Report is framed around the Ottawa Public Library's three Strategic Directions:

- Services that are customer centric;
- Spaces for community, collections, and creation; and,
- Success through learning, literacy, and innovation.

The report includes details on the leadership team, community partnerships, as well as relevant statistics and financial information. Please note, the annual report does not represent the official annual financial report which is issued separately pending the annual audit.

The complete English and French report is available on the Ottawa Public Library's website and distributed upon request. See attached links.
