RECOMMANDATIONS DU RAPPORT

**Que la Commission de services policiers d'Ottawa prenne connaissance du
présent rapport à titre d'information.**

BACKGROUND

The Ottawa Police Services Board recognizes the importance of ongoing training and education for its members through its policies, and in particular, through the Board Training Policy #GA-3 adopted in 2006 in response to a recommendation from the City's Auditor General. The Board also ensures that sufficient funds are included in its budget each year to support this commitment and enable Board members to attend various learning opportunities throughout the year.

The Board recommended during its 2017 Performance Review that during the first meeting of each year, a list of upcoming conferences and training opportunities be circulated to Board members for information.

DISCUSSION

To assist Board members in planning their annual training and education, Documents 1 and 2 provide a list of the most relevant conferences and webinars in 2019 that might be of interest to police services board members.

In terms of conferences, detailed information will be distributed on each as it is received and Board members will be canvassed at that time on whether they wish to attend a particular conference. Once canvassing has taken place, a report is submitted to the Board for approval of attendance.

The Board's Training Policy encourages each Board member to attend the annual conferences of the two organizations noted below at least once within the first two years of being appointed to the Board (see Document 1 for dates).

- a) Ontario Association of Police Services Boards (OAPSB)
- b) Canadian Association of Police Governance (CAPG).

FINANCIAL IMPLICATIONS

Funds were included in the 2019 Police Services Board budget for attendance at conferences and conventions in accordance with the Board's training policy.
