**FLEWELLYN MUNICIPAL DRAIN – AMENDMENT TO THE ENGINEER'S
REPORT**

ACS2015-COS-ESD-0018

RIDEAU-GOULBOURN (21)

REPORT RECOMMENDATION

That the Agriculture and Rural Affairs Committee recommend that Council adopt the Engineer's Report prepared by Robinson Consultants Inc., entitled Amendment to the Engineer's Report for the Flewellyn Municipal Drain Branch 1 dated August 2015 and give 1st and 2nd reading to the By-law attached as Document 2 to this report in accordance with Sections 42 and 45 of the Drainage Act of Ontario.

Ms. Lisa Dalla Rossa, Cardel Homes, having only received notice on September 24, 2015, requested that Committee allocate some time to allow for her to meet with the engineer and/or provide alternatives given her concerns with environmental issues.

Mr. Ted Phillip, Taggart Group advised that they met with representatives of Cardel Homes over a year ago on this issue and reached out to the owner to organize a meeting at a later date, however they never responded.

Mr. Dave Ryan, Program Lead, Municipal Drainage introduced Mr. Andy Robinson, Robinson Consultants Inc. who was appointed in 2011 as the Drainage Engineer on this report. He noted that Cardel had an opportunity to meet with the Drainage Engineer since 2011 however failed to do so.

Mr. Robinson provided the background on this report reminding Committee and members of the public that the landowner can choose to appeal through the tribunal.

Having no other speakers or discussion, the report recommendation was put to Committee and CARRIED as presented.
