### Report recommendations

**That the Transportation Committee recommend that Council:**

- 1. Receive the information about the status of the City's contract with Precise Parklink Inc., as described in this report and the confidential companion memorandum from the City Solicitor, issued separately as Document 3, and not to be reported out, as it relates to litigation and is covered by solicitor-client privilege;**
- 2. Delegate the authority to the General Manager, Public Works and Environmental Services, to finalize and execute a five-year extension of the Parking Operations System Agreement with Precise Parklink Inc., in accordance with the revised contract terms and conditions as described in this Report, including the revised calculation methodology for the revenue guarantee, ending October 31, 2026;**
- 3. Delegate the authority to the General Manager, Public Works and Environmental Services, to negotiate, finalize and execute amendments to the contract with Precise Parklink Inc. to better facilitate contract management, as outlined in this Report.**

Chair Tierney provided opening remarks, thanking staff for their efforts over the

past few years to find a proposed resolution that avoids a costly legal battle and provides good value for City taxpayers. The staff recommendation before committee today is a positive way to move forward for the City.

The Committee received a slide presentation overview of the report (copy held on file with the Office of the City Clerk) from Laila Gibbons, Director, Roads & Parking Services, Public Works and Environmental Services (PWES) and Scott Caldwell, Area Manager, Transitway and Parking, PWES.

Following discussion and questions of staff, the Committee Carried the report recommendations as presented, with Councillor S. Menard dissenting.
