REPORT RECOMMENDATION

That the Ottawa Public Library receive this report for information.

RECOMMANDATION DU RAPPORT

Que le Conseil d'administration de la Bibliothèque publique d'Ottawa prenne connaissance de ce rapport à titre d'information.

BACKGROUND

As per Board policy 001-OPLB Roles and Responsibilities of the Board and Trustees, the Board is accountable for the full range of decisions affecting Ottawa Public Library (OPL). The OPL Board (OPLB) approaches its role using a policy or strategy model of governance that focuses on setting strategic directions and objectives, making decisions on major projects, and monitoring library and CEO performance. The OPL

Board's attention primarily focuses on the long-term needs and goals for the library, not the administrative or operational details.

To achieve the above, the OPL Board established policy 002-OPLB Delegation of Authority (DOA), last amended March 2021. The DOA clearly defines the decisions that are reserved by the Board and those that the CEO or delegate may make.

As referenced in Board policy 010-OPLB CEO Reporting and Board Monitoring, staff report annually to confirm compliance with Board and OPL policies, as well as a report on the DOA.

This report covers OPL and Board policy compliance, purchasing and finance decisions that fall outside the scope of the quarterly financial reports, and approvals / decisions that are reported by exception, excluding those already reported via email, social media, and Public Service Announcements (PSAs), for 2020. The report does not include multi-year agreements, if reported in a previous DOA annual report.

DISCUSSION

Reporting covers the period from January 1 to December 31, 2020.

1. EMERGENCY OR SPECIAL CIRCUMSTANCES

Section 2.2 of the DOA notes that there are occasions when "it is necessary to act within or outside the normal mandate of the OPL, but such action is not strictly within the terms of a delegated authority." In these circumstances, "the CEO may take such action as necessary to rectify the situation and all such actions shall be reported immediately to the Chair and then the Board." Due to the COVID-19 pandemic, the province, and OPL, operated under a variety of emergency orders and applicable regulations. The CEO ensured that trustees were apprised of key decisions and information, as it became available, including through the involvement of the COVID Ad hoc Committee of the Board in emergency decision-making. the CEO and senior management were required to make operational decisions to address the shutdown such as closure of branches and the suspension of some fees. The Board subsequently approved the continued suspension of some fees during the pandemic in a May 28, 2020 Board report, OPL COVID-19 Recovery Priority 1 Plan (OPLB-2020-0501-SP),

and a June 23, 2020 Board report, OPL COVID-19 Recovery Priority 2-5 Plan (OPLB-2020-0601).

2. BOARD AND LIBRARY ADMINISTRATIVE POLICY COMPLIANCE REPORTING

I hereby report compliance on all OPLB and Library administrative policies, except for OPLB Policy 008 – Donations, Fundraising, Sponsorships and Advertising, which requires revisions as the policy was placed “on hold” for future review as part of the OPL’s fundraising strategy.
