# Subject: NATIONAL CAPITAL AREA CRIME STOPPERS: SEMI ANNUAL REPORT

Dear Councillor El-Chantiry;

Thank you for the opportunity to provide the Ottawa Police Services Board with our Semi-Annual Report. We look forward to providing you with an informative update on our progress and outline initiatives being worked on.

Our report will outline the following:

## **Board Governance**

Crime Stoppers continues to have a dedicated board of directors that contribute time and expertise to our program. Monthly board meetings are well attended and very productive. Our Annual General Meeting was held in June and was an opportunity to acknowledge the contribution by many of our past directors and past-presidents. We were especially pleased to have Deputy Chief Skinner join us for the AGM. The continued support from Ottawa Police Service members and leadership is much appreciated.

Eastern Ontario Crime Stoppers programs continue to meet to share best practices and we are pleased to collaborate on many initiatives. Greater collaboration with other programs continues to be a focus for our board. An example of this collaboration is the sharing of our successful Youth Awareness video with programs in Niagara, Sudbury and Peel.

We attended the Ontario Association of Crime Stoppers annual conference in June, hosted by the London-Elgin-Middlesex region. This four day event included workshops and presentations on a variety of topics. These included human trafficking; tip management; fundraising as well as a popular social media workshop. We also benefited from presentations on strategies to protect children from sexual abuse and exploitation on the internet; national security enforcement team activities; MNRF enforcement program and high risk youth and gang strategies. These conferences are also an excellent opportunity to network with other Crime Stoppers programs.

## **Statistics**

Sharing of our statistics continues to demonstrate the success and positive impact of Crime Stoppers. We are pleased to enclose our most recent statistics detailing our TIP volume and outcomes. TIP volume continues to steadily rise along with dramatic improvement to the quality of the tip information. In many cases, we can provide investigators with valuable identification details, including address and other information. This year, Crime Stoppers TIPS have contributed to 48 arrests; 32 criminal cases being cleared; 239 criminal charges and we assisted in the recovery of 13 firearms. Over \$130,000.00 in narcotics have been seized and we are pleased to have been instrumental in the direct recovery of \$78,583.00 worth of property.

Since 1985, Crime Stoppers have processed almost 50,000 TIPS from the public. These TIPS have resulted in the recovery of property valued at \$11,850,200.00 and over \$80 million in narcotics.

## Community Outreach

Much of our success can be attributed to our engagement with the community. We continue to participate at events throughout our region. This year we provided our volunteers with branded shirts, jackets and an event tent. Many of these events have a youth focus and we provide tattoos, colouring books and other hand-out material targeting youth.

Crime Stoppers participated at 2015 Police Week events held throughout Ottawa. These community focused events provide us with an opportunity to share our contact information and encourage the use of our program with residents. Volunteers worked with our policing partners, OC Transpo Transit Law and others to add to the success of these events.

The Navan Fair Parade in August was an opportunity to engage with youth and families while promoting our brand. Our volunteers provided candy and tattoos to the youth.

Councilor Tim Tierney coordinated a recent community BBQ event in the Jasmine Crescent community. The event was a successful way to connect directly with the community and followed two stabbing deaths. Crime Stoppers was able to help reinforce the need for the community to engage in the prevention and solving of crime.

Crime Stoppers enjoyed a succesful fundraiser Golf Tournament again this year. We were very pleased to have Champ help us at the event where we raised over \$14,000.00

Crime Stoppers continues to provide informamtion sessions with many local groups and agenicies such as Pinecrest Queensway Community group, Vanier Service group, and No Communities Left Behind (NCLB). These opportunities help provide residents in especially vulnurable communities with our contact information. This past summer has been especially busy with numerous Ottawa Community Housing events, elder and senior awareness presentations. #### Partner Update

Ottawa Police Service support is instrumental to our program. Sgt. Arthur Wong continues to provide outstanding leadership and support for Crime Stoppers. His Assistant Coordinator, Ms. Janice Danschinko continues to learn and develop in her role with Crime Stoppers.

We partnered with the National Coalition Against Contraband Tobacco to promote an awareness campaign and successful media launch in May. The media launch resulted in appearances on local radio, television and several print stories highlighting the campaign and reinforcing our program to the community. Several transit shelter advertisements promoted the campaign to the public. All of this was arranged at no cost to Crime Stoppers. Crime Stoppers also partnered with the Ottawa Champions Baseball club to help raise awareness for our program. The team posted our decals at their ballpark and we were pleased to participate at their successful First Responders Day game. Our jail cell and information table was set up during the game to encourage awareness about Crime Stoppers. We were very pleased to have some of our sponsors support this well attended event. We used this opportunity as a volunteer recognition and had many board members and volunteers enjoy the game from a suite. All of this was made possible with no cost to Crime Stoppers. We look forward to the 2016 season ahead with the Ottawa Champions Baseball organization.

## Media Update

Social media continues to develop as an excellent tool for Crime Stoppers. With over 1600 Twitter followers, Facebook and our active websites, we continue to capitalize on these cost effective tools.

Our websites continue to draw significant traffic and more importantly, allow us to share crimes and information with the public. 2015 has seen an increase from 13000 individual page views to over 15000 per month.

Traditional media outlets mentioning of Crime Stoppers and our contact number has an impact on our TIP volume. We are committed to improve relationships with our media partners in 2015. Moving forward, we will explore opportunities to connect and partner with all elements of traditional media. OPS press release information continues to reinforce % r anonymously contact Crime Stoppers at 1-800-222-8477+. This messaging results in direct TIPS that help police solve, prevent and deter crime.

#### **Financial**

The financial position of Crime Stoppers is much improved. Our expenses are very reasonable and we continue to attract donations and support. More important, we have continued to thrive and deliver services to the community.

June 22<sup>nd</sup>, 2015 marked our 30<sup>th</sup> Annual Golf Tournament. This year**q** event was hosted at Pine View Golf Course and helped us raise awareness and funds to support our program. Over \$14,000.00 was raised this year.
