REPORT RECOMMENDATIONS

That the Ottawa Police Services Board receive this report for information.

RECOMMANDATIONS DU RAPPORT

**Que la Commission de services policiers d'Ottawa prenne connaissance du
présent rapport à titre d'information.**

BACKGROUND

In 1998, the Ottawa Police Services Board approved a Discretionary Fund Policy to assist in determining how to fairly allocate the limited discretionary funds available within its budget that are used to support community organizations and events that complement the work of the Police Service and Board. A copy of that Policy, GA-7, is attached at Document 1.

The Policy includes a direction to the Executive Director to prepare and submit an annual report to the Board summarizing for the completed fiscal year all funding

requests approved by the Board. The report is intended to provide the Board with an opportunity to review the policy on an annual basis to ensure that the funding priorities and criteria remain reasonable and reflective of the Board's own priorities.

The funds have traditionally been used to cover requests for purposes such as: making donations to fundraising events held by organizations working closely with the Police Service; funding members of the Police Service to participate in police-sponsored community events; or contributing to programs/projects that further the work of the Police Service in the areas of crime prevention, community policing or other public safety initiatives.

The Discretionary Fund Policy sets out four categories for priority funding:

1. Community Relations through Involvement with Police-Related Organizations

Intended to enable the Board to purchase tickets or contribute donations to fundraising events. Financial contributions as well as the attendance of Board members at fundraising events for organizations that work closely with the Ottawa Police Service allows the Board to demonstrate its support for the ongoing work of partner agencies such as Crime Stoppers, the Boys and Girls Clubs of Ottawa, and the Street Ambassador Program.

2. Board/Police Service Relations

To assist members of the police service in participating in police-sponsored events, and to support events organized by members of the Ottawa Police, with the goal of enhancing the image of the OPS in other communities as well as at home and fostering a good relationship between the Board and the OPS membership.

3. Public Education/Awareness

To provide funding to projects outside of routine advertisements and the approved Communications Strategy of the Police Service, that assist the Board in communicating to the general public information related to crime prevention, community policing or other public safety issues.

4. Special Board Requirements

To provide flexibility to the Board to fund one-time requirements associated with Board functions, such as the sponsorship of board-related conferences or special meeting requirements outside of normal budgetary provisions.

DISCUSSION

Discretionary funds in the amount of \$30,000 were included in the Board's approved 2016 budget. Of this amount, \$17,000 was pre-committed: \$10,000 for the ByWard Market Street Ambassador Program, and \$7,000 for the Board's annual contribution to the Police Officers' Scholarship and Charitable Fund. The remaining \$13,000 was available to meet all other requests.

Discretionary spending in 2016 amounted to \$49,125, which exceeds the budget by \$19,125. The reason for the over-expenditure is the one-time contribution of \$25,000 to support the 2016 Canadian Association of Police Governance (CAPG) annual conference hosted by the Ottawa Police Services Board. The Board made the funding commitment in 2014 when it agreed to host the event.

All requests and approved funding are outlined on the attached Document 2. The chart includes all grants provided over the past five year period, from 2011 to 2016, to provide an idea of which groups historically request and receive funding.

Document 2 also includes a column for Projected 2017 requests identifying groups that are expected to submit requests based on past funding patterns and known requests. The projected total at this time for 2017 is \$21,900.

Increase in Discretionary Budget in 2017

In March 2016 the Board approved a resolution that funds raised through the public auction of found or seized property in accordance with Section 132 of the Police Services Act be directed to the Police Services Board budget. As a result, any funds raised at auction in 2017 will be directed to the Board's budget.

CONCLUSION

The Board's Discretionary Fund Policy #GA-7 requires annual reporting to the Board on how discretionary funds within the Board's budget are spent. In 2016, \$30,000 was available to the Board to distribute to: community groups with whom the Police Service works and the Board wishes to support; Police Service groups that participate in police-community events; and Board-related conferences and meetings. The actual amount spent in 2016 was \$49,125, over-budget by \$19,125. This report fulfils the Discretionary Fund reporting requirement for the fiscal year 2016.

LEGISLATIVE REFERENCE / AUTHORITY

Section 37 of the *Police Services Act* states that the board shall establish its own rules and procedures in performing its duties under the *Act*. This policy was created to provide direction to the Board in allocating discretionary funds at its disposal.

BOARD POLICY

Introduction

The Ottawa Police Services Board has discretionary funds within its Budget to be used for such purposes as: purchasing tickets or making donations to fundraising events held by organizations working closely with the Police Service; funding members of the Police Service to participate in police-sponsored events; or contributing to programs/projects that further the work of the Police Service in the areas of crime prevention, community policing or other public safety initiatives.

Goal

To establish a Discretionary Fund Policy, consisting of a set of guidelines that identifies recognized funding priorities to assist the Board in allocating the discretionary funds contained within the Board's budget. The guidelines need not limit the Board in its funding of unique projects/functions, but would provide some consistency and rationale in dealing with expenditures that come before the Board for consideration.

Priorities

The Ottawa Police Services Board will give preference to funding requests that fall into one of the following categories:

- Community Relations through Involvement with Police-Related Organizations

Intended to enable the Board to purchase tickets or contribute donations to fundraising events. The attendance and participation of Board members at fundraising events for organizations that work closely with the Ottawa Police Service serves to demonstrate the Board's goodwill and community involvement.

For this funding priority, the Board Chair shall have delegated authority to approve expenditures up to \$1,500 from organizations that the Board has a history of supporting. Other requests will require Board approval.

- Board/Police Service Relations

To assist members of the police service to participate in police-sponsored events, with the goal of enhancing the image of the Ottawa Police Service in other communities as well as at home.

- Public Education/Awareness

To provide funding to projects outside of routine advertisements and the approved Communications Strategy of the Police Service, that assist the Board in communicating to the general public information related to crime prevention, community policing or other public safety issues.

- Special Board Requirements

Intended to provide flexibility to the Board to fund one-time requirements associated with Board functions, such as the sponsorship of functions at board-related conferences, or special meeting requirements outside of normal budgetary provisions.

Eligibility Criteria

- Groups and organizations requesting funding must be based in Ottawa and organized along not-for-profit principles. Funding requests from individuals will not be considered.
- The organization receiving funding must clearly provide a benefit for the Ottawa Police Service and the community.
- The activities of the organization must reflect the Mission Statement of the Ottawa Police Service.

- Use of the funds must not extend beyond the current fiscal year.
- Funds cannot be used to cover a deficit from a previous year.
- Funds will only be provided to the group directly responsible for the activity or project being funded.
- As a condition of funding, the organization must be willing to make available, if requested, financial records indicating the disposition of the Board's contribution to the project or activity.
- Funds not used as allocated or not needed within the fiscal year, in whole or in part, shall be returned to the Board.

Reporting and Annual Review

The Board Executive Director shall prepare and submit an annual report to the Board that will summarize for the completed fiscal year all requests for grants and those approved by the Board. This report shall be submitted to coincide with the annual Police budget review. At this time the Board will review the policy to ensure that the funding priorities and criteria remain reasonable and reflective of the Board's own priorities.
