REPORT RECOMMENDATIONS

That the Transportation Committee recommend Council:

- 1. Approve the replacement of the previously approved alignment for the Barrhaven LRT for the section between north of Knoxdale Road and the Nepean Sportsplex, with the revised alignment as described in this report, to avoid displacing the tenants of Manor Village and Cheryl Gardens;**
- 2. Direct staff to finalize the functional design for the revised alignment, conduct public consultation on the design change, document the process and inform Transportation Committee of the consultation outcome prior to re-initiating the Transit Project Assessment Process with the revised alignment as part of the larger Light Rail Transit project from Baseline Station to the Barrhaven Town Centre.**

The Committee received a detailed slide presentation overview of the report from Mr. Frank McKinney, Program Manager, Transportation Planning and Environmental Assessments, Planning, Real Estate and Economic Development (PRED) Department. A copy of this presentation is held on file with the Office of the City Clerk. Also present to respond to questions were Mr. Steven Willis, General Manager, PRED, and Ms Vivi Chi, Associate General Manager, PRED.
