SOLID WASTE MASTER PLAN – PHASE 2

ACS2021-PWE-SWS-0003

CITY WIDE

REPORT RECOMMENDATIONS

That the Standing Committee on Environmental Protection, Water and Waste Management recommend that Council:

- 1. Approve the vision statement, guiding principles and goals of the Solid Waste Master Plan as described in this report and outlined in supporting Document 1; and,**
- 2. Receive the Solid Waste Master Plan Phase 2 report and supporting documents relating to the City of Ottawa's long-term waste management needs, the high level long list of options to meet future needs, and the evaluation process to evaluate the options, attached as Document 2 through Document 4, for information.**

At the outset, the Committee received a detailed slide presentation overview of the report from Ms Shelley McDonald, Director, Solid Waste Services, Public Works and Environmental Services (PWES) Department, and Ms Nichole Hoover-Bienasz, Program Manager, Long Term Planning, Solid Waste Services, PWES. A copy of this presentation is held on file with the Office of the City Clerk. Messrs. Will McDonald, Chief Procurement Officer, Supply Services, Innovative Client Services (ICS) Department, and Kevin Wylie, General Manager, PWES, were also present to respond to questions.

Prior to entertaining public delegations, the following Motion was introduced to amend Table 10 of the report to add wording as noted therein:

MOTION N^o EPWWM 2021 17-01

Moved by Vice-chair S. Menard:

WHEREAS Document 3 of the Solid Waste Master Plan – Phase 2 Report (ACS2021-PWE-SWS-0003) sets out the high-level long list of options identified to meet the City’s future waste management needs and their corresponding descriptions; and

WHEREAS these options are also listed in Table 10 – Long List of Options, under Section 1 of the main staff report; and

WHEREAS Public Works and Environmental Services staff has identified that one of the options described in Document 3 was inadvertently omitted from the list set out in Table 10.

THEREFORE BE IT RESOLVED THAT the Standing Committee on Environmental Protection, Water and Waste Management approve:

- 1. An amendment to the text of Table 10 to include “Behavioural Change Management Strategy” under “Options” in Section 1, Promotion & Education, Sub-Section 1A, Outreach Initiatives and;**
- 2. The substitution of the revised Table 10 be included in the report when it is submitted to City Council.**

The Committee heard from the following delegations, who provided comment on Phase 2 of the Solid Waste Master Plan:

- Mr. Johannes Ziebarth, Chief Executive Officer*, and Ms Alannah Bird, with Landaira, Inc. Messrs. Spencer Warren, Vice-President, Operations, Graham Bird and Vince Harkins were also present to respond to questions.
- Mr. Duncan Bury* Waste Watch Ottawa
- Ms Kate Reekie, Community Associations for Environmental Sustainability

*[* Individuals / groups marked with an asterisk above either provided comments in writing or by e-mail; all submissions and presentations are held on file with the Office of the City Clerk.]*

The Committee's questions to the delegations and to staff, and its subsequent discussions included, but were not necessarily limited to: details of the waste planning process; public engagement methodology; guiding principles and goals; waste projections and identified needs; landfill life expectancy; the high level long list of options; technical evaluation processes and next steps, and details of the presenters' proposals, views and suggestions, along with the need to remain open to multiple long-term solutions to the problem of dealing with solid waste processing and disposal for Ottawa.

At the conclusion of discussions, the report recommendations were put before the Committee were 'CARRIED', as amended by Motion N^O EPWWM 2021 17-01.
