REPORT RECOMMENDATION

That the Standing Committee on Environmental Protection, Water and Waste Management recommend that Council delegate the authority to the General Manager of the Public Works and Environmental Services Department to negotiate, finalize and execute a short-term, two-year residential curbside collection contract with each of the existing curbside collection service providers, including the In-House Collections Group, in accordance with section 22(1)(d) of the Procurement By-law, and as described in this report.

The Committee received a brief slide presentation overview of the report from Ms Shelley McDonald, Director, Solid Waste Services, PWES. A copy of this presentation is held on file with the Office of the City Clerk. Ms Nazgol Namazi, Associate Legal Counsel, Legal Services, ICS, was also present to respond to questions.

Following questions to staff, the report recommendation was put before the Committee and was 'CARRIED', as presented.
