### **MOTION**

Moved by Councillor Moffatt

**WHEREAS at its meeting of July 2020, the Agricultural and Rural Affairs Committee directed that a study of the agricultural potential of the lands within the Bleeks-Fallowfield area, as shown on the map on Page 12 of Document 1 of this report, be conducted prior to any change in zoning of these lands;**

**WHEREAS Staff recognize it is premature for the affected lands in the Bleeks-Fallowfield area to be rezoned prior to the completion of this study;**

**THEREFORE BE IT RESOLVED that Document 1 of this report be amended by removing the map located on Page 12 from the lands to be affected by this Zoning By-law Amendment.”**
