SUBJECT: Commemorative Naming Proposal – Mantha Park

OBJET: Proposition de nom commémoratif – Parc Mantha

REPORT RECOMMENDATION

That the Community and Protective Services Committee recommend Council approve the proposal to name the new community park, located at 525 Famille-Laporte Ave, the “Mantha Park”.

RECOMMANDATION DU RAPPORT

Que le Comité des services communautaires et de protection recommande au Conseil d’approuver la proposition visant à ce que le nouveau parc communautaire, situé au 525, avenue Famille-Laporte, sera le « parc Mantha ».

BACKGROUND

The Commemorative Naming Policy, approved by City Council on July 24, 2002, as amended, outlines the criteria and process for commemoratively naming municipal streets, parks and facilities (or parts thereof).

Where the naming of a street, municipal park, parts of a park, facility, or parts of a facility is being requested, at least one of the following criteria shall apply:

- Demonstrated excellence, courage or exceptional service to the citizens of the City of Ottawa, the Province of Ontario and / or Canada;
- Provided extensive community service, or who have an extraordinary community service record;
- Worked to foster equality and reduce discrimination;
- Where the nominated individual is a current City employee, the individual shall have made an outstanding contribution to the City of Ottawa outside of his/her capacity and duties as a City employee or they may be recognized for their exceptional service once they are no longer a City employee;
- The nominated individual has made a significant financial contribution to a park or facility and the contribution significantly benefits the community that the park or facility serves (i.e. the park or facility may not have otherwise been possible without the financial assistance);

- The nominated name has historical significance to the community, City of Ottawa, Province of Ontario, or Canada.

Any member of the public or City Council may submit a name to the City for consideration through a formal Commemorative Naming application and supporting material.

The proposed name is reviewed against criteria such as potential issues for 9-1-1 or whether there is an existing commemoration for the same nomination. If there are no issues of concern, the Commemorative Naming Committee (“CNC”) will meet to review the formal application and proposal. The CNC membership is the City Clerk and Solicitor, the General Manager, Planning, Infrastructure and Economic Development, the General Manager, Recreation, Cultural and Facility Services, the General Manager, Public Works and Environmental Services, the Mayor and the Ward Councillor, or their respective designates.

As part of the process, the CNC provides an initial approval based on the policy’s criteria and the information provided by the nominator. To ensure there is community support for the choice, staff will initiate a 30-day public consultation phase. Where the proposal is to rename a park or facility, the Policy requires a 60-day public consultation phase.

Following the consultation process, the CNC reviews the public feedback and makes a final recommendation on the nomination, followed by consideration by the appropriate Standing Committee and City Council. If no public objections are received, the Committee and Council will consider the proposal directly, without the need for a second CNC meeting.

DISCUSSION

Louis Patry submitted an application to commemorate the Mantha family, as described in Document 1. Under the proposal, the new community park located at 525 Famille-Laporte Ave will be named the “Mantha Park”.

The CNC met on May 21, 2021 to review the application and endorsed the proposed name under the following criterion:

- The nominated name has historical significance to the community, City of Ottawa, Province of Ontario, or Canada.

In accordance with the Council-approved Commemorative Naming Policy, in cases where there is no objection received during the public consultation period, a report can be submitted directly to the appropriate Standing Committee and Council, without reconvening a CNC meeting.

RURAL IMPLICATIONS

There are no rural implications associated with this report.

CONSULTATION

An integral part of the Commemorative Naming Process is public consultation. On July 28, 2021, the City announced a 30-day public consultation on the proposed name. A public service announcement, the City's Twitter account, and the Ottawa.ca website provided relevant information on the proposal.

The 30-day public consultation period ended on August 26, 2021. The Recreation, Cultural and Facility Services Department received 54 comment(s) in support of the application and 0 comment(s) in opposition.

As the public consultation period did not result in any objections, the Community and Protective Services Committee will consider the "Mantha" proposal directly.

Document 1

Mantha Park (Ward 19 – Cumberland)

In recognition of the historical significance of the Mantha family, the City has been asked to name the new community park, located at 525 Famille-Laporte Ave, the “Mantha Park”. In 1873, the pioneer Pierre Mantha and his wife settled in the Orléans area, where they operated a farm. The second of their eight children, Félix Mantha, worked as a bricklayer and mason on many local homes, as well as on the current parish church of Saint-Joseph in Orléans. This father of seven was also a storyteller and singer. More than a hundred of his folk songs are preserved in the collections of the Canadian Museum of History. Félix Mantha’s oldest child, Berthe Mantha, was a mother of five who started out working as a schoolteacher. She later served as postmistress in Orléans (1944-1949), manager of the Provincial Bank of Canada (1949-1967) and secretary-treasurer of the Conseil scolaire Orléans for several years. Another of Félix Mantha’s children, Paul-Émile Mantha, spearheaded the cooperative movement in Orléans and established the Caisse populaire de Saint-Joseph d’Orléans in 1944.
