**RECOMMANDATIONS DU RAPPORT**

**Que la Commission de services policiers d'Ottawa approuve la nomination de 63 employés de la GRC au besoin lors de cette situation, en vertu de l'article 53 de la Loi sur les services policiers, conformément aux modalités présentées au sein de la Lettre d'approbation de la nomination, ci-jointe.**

**BACKGROUND**

The Ottawa Police Service (OPS) has requested additional support from the Royal Canadian Mounted Police (RCMP) to respond to unlawful and ongoing public demonstrations, which began on January 28, 2022.

The RCMP has advised that they are available to provide at least 63 additional staffing resources at this time.

In order to ensure these officers are empowered to fully complete their duties, we have received 63 Approval of Special Constable Appointments. Approval of Appointment Forms will follow.

The names of these appointees will be on file with the clerk in an in camera document in accordance with operational security.

RCMP Members on mobile patrol have a role in deterring and detecting potential terrorist activities and/or incidents impacting on PP. Members are responsible for having knowledge of all zones and protected locations, which many are located within the city of Ottawa and are responsible for answering security alarms and proactively gathering information for risk and threat assessment purposes relative to those locations.

The RCMP Protected Operations and the OPS also enforce moving violations/traffic violations on specific NCC roadways and bridges as per current MOU (Memorandum of Understanding). Members on mobile patrol also have a role in deterring and detecting criminal and provincial offences other than highway traffic infractions by using different techniques such as car patrol, bicycle patrol, foot patrol and vehicle checks.

During their regular patrol duties related to the above-mentioned responsibilities, members travel from one location to another and observe violations to the Highway Traffic Act, Liquor License Act, Mental Health Act and the Trespass to Property Act in which they have a duty to take action.

Further, the RCMP Protected Operations members also work with the OPS on all major visits, special events, and demonstrations taking place on federal, provincial and municipal property. These occurrences generally start on City property and end up on federal property and in the process of policing these events; the RCMP would assist the OPS with enforcement of the above-mentioned Acts.

An agreement between the OPS and the RCMP was established in 2016 with no expiry date. An RCMP indemnification letter was provided to the Board on January 25, 2016 by Chief Superintendent Bruce Kirkpatrick to address concerns raised by the Board respecting potential liability. The following is an excerpt from this letter:

“In the absence of a formal agreement between the RCMP and the Board, and in an effort to address the aforementioned concerns, I wish to assure you that the RCMP will, at its own cost, indemnify the Board from any claims, demands, actions and judgements instituted or recovered by a third party, arising from any act, conduct or omission of members of the RCMP appointed as special constables under subsection 53(1) of the Police Services Act (PSA) by the Board while carrying out their duties. To this end, the RCMP requires that the Board provide it with notice, in writing to the undersigned or the individual occupying that position without delay, or in exigent circumstances, as soon as reasonably possible of any claims, demands, causes of action or actions arising from any

act, conduct or omission of members of the RCMP appointed as specials constables under subsection 53(1) of the PSA by the Board while carrying out their duties.”

For the purposes of this agreement, the Board has authority, pursuant to the PSA, to appoint Special Constables for such purposes and with such powers as it sees fit, subject to the approval of the Ministry of the Solicitor General.

The Board shall designate the Chief of Police or his/her designate to perform some or all of the Board’s administrative functions under these agreements. The Chief shall designate one officer as his/her designate with respect to the day-to-day administration of this agreement.

For the purpose of the administration of this agreement, the Chief Superintendent of the RCMP will be responsible for some or all of the administrative functions under each respective agreement. These leaders shall designate an employee for the day-to-day administration requirements.

To ensure that this employee can carry out their assigned duties, applications are made to the Ministry of the Solicitor General to have them appointed as Special Constable pursuant to Section 53 of the PSA. The Board appoints the RCMP employees as Special Constables upon approval by the Ministry. The appointments are valid for five years.

## **DISCUSSION**

Approval has been obtained from the Ministry of the Solicitor General for the appointment of this RCMP employees as Special Constable pursuant to Section 53 of the PSA.
