RECOMMANDATION DU RAPPORT

Que le Comité des finances et du développement économique et Conseil municipal prenne connaissance de ce rapport.

BACKGROUND

Section 284 of the *Municipal Act*, 2001 requires the Chief Financial Officer/City Treasurer to submit to Council each year (by March 31) an itemized statement on remuneration and expenses paid in the previous year to Members of Council (Document 1) and Council Appointees (Document 2). This report provides the information being submitted for 2021.

Remuneration includes salaries, retirement allowances and honorariums. Benefits consist of long-term disability, life insurance, extended health care, dental care, Ontario Municipal Employees Retirement System (OMERS) and other taxable benefits. Travel allowances are comprised of monthly car allowances and/or the taxable benefit portion of transit and/or parking passes. Expense reimbursements are for direct payments made to Members of Council and Council appointees for out-of-pocket expenses such as hospitality, computer supplies and equipment and office supplies.

Council Office Budget expenses are not included in this report, nor the Statement attached. A report on the 2021 Office Budget expenses for all elected representatives will be available from the City Clerk's office on or before March 31, 2022.
