Questions and comments included:

M. Fleury:

1. How can we bring up issues?

Answers: Dylan Whiteduck and Lisa Robinson: This is a living document and we're committed to being part of the solution.

Answer: D. Chenier: There will be a consultative circle established in 2022 along with governance practices outlined.

2. Should there be a liaison role for the next Term of Council?

Answer: Chair Luloff provided direction to the OCC – direction is found below.

T. Kavanagh:

1. How can we support the creation of interpersonal relationships?

Answer:

- This is the first step and if we can find ways to work together, then great. We need to tie in the proper way, and to ensure we know our roles.

D. Deans:

- Role of council is vital. Visiting the community would be beneficial to deepen understanding. The more understanding we have, the better.

R. Brockington:

- The key is to have informal discussions.

Grand Chief Savanna McGregor:

- We are here to build that relationship.

The Office of the City Clerk accepted the following DIRECTION from the Chair:

- That the Office of the City Clerk be directed to discuss a liaison role for the Protocol Implementation Plan during the first governance report of the next Term of Council.
