BACKGROUND

The *Municipal Act*, Section 205(2), requires that City Council approve the annual budgets for all Business Improvement Areas (BIAs) and Mall Authority.

This submission constitutes the approval required for the 2022 BIA and Sparks Street Mall Authority Budgets as shown in Document 1. There is a maximum of 32 property classes that would be subject to a BIA levy in the City of Ottawa. A rate has been assigned to each property class even if there are currently no properties assessed in the class in order to ensure that if assessment moves into these classes, either through an appeal or on a supplementary roll, a rate of taxation will exist. The 2022 BIA and Sparks Street Mall Authority levy requirements have been determined with consideration given to the 2022 assessment roll, the 2022 approved board budgets, the audited 2020 surplus/deficit, and the 2021 unaudited year-end disposition.

DISCUSSION

The BIAs are funded through a levy on all ratable properties in the area that are within a prescribed business property class. The operations of the Sparks Street Mall Authority

are funded by way of special meter-frontage charges imposed on properties fronting on a special area of the mall. The City collects the special levies on behalf of these outside agencies.

BIA levies are charged to owners who may apportion it back to their tenants based on a formula prescribed by legislation.

Payments In Lieu of Tax properties are billed at the rate equivalent to the BIA levy. The exceptions being the ByWard Market BIA, which has chosen not to budget for the following properties: United States Embassy, National Art Gallery, Royal Canadian Mint, Connaught Building, and the Downtown Rideau BIA, which has chosen not to budget for payment in lieu of revenue for the Bytown Museum.

In accordance with subsection 208(3) of the *Municipal Act*, the Barrhaven Board of Management has approved a minimum rate of two hundred and fifty dollars (\$250) per property and the Carp Road Corridor Board of Management has approved a maximum rate of one thousand five hundred and sixty-two dollars and fifty cents (\$1,562.50) per property.

The by-law establishing the 2022 levies for the BIAs and Sparks Street Mall Authority will be placed on the Agenda of Council once Council approves the 2022 tax ratios and these ratios are applied to the approved budgets of the BIAs. Minor adjustments of the rates may occur due to finalization of tax ratios.

FINANCIAL IMPLICATIONS

The BIA and Mall Authority budgets and levy requirements have no direct financial impact on the City. Pursuant to subsection 205(3) of the *Municipal Act*, a BIA shall not incur any indebtedness extending beyond the current year. Any deficit positions shown on Document 1 are funded through an increase in the BIA tax levy or contribution from previous years' surplus and/or reserve fund.

LEGAL IMPLICATIONS

There are no legal impediments to approving the recommendations in this report.

SUPPORTING DOCUMENTATION

Document 1 – 2022 Summary of BIA and Mall Authority Budgets.

DISPOSITION

The Finance Services Department will set the BIA levies by applying the 2022 tax ratios to the approved BIA budgets once these ratios are established by City Council and apply the meter-frontage charge to properties in the Sparks Street Mall Authority.

Legal Services and the Finance Services Department will work together to prepare and place the BIA levy by-laws and Sparks Street Mall Authority by-law on the Agenda of Council for enactment by Council once the 2022 tax ratios are established.
