### **DISCUSSION**

#### Attendance at Conference

The Ontario Association of Police Services Boards (OAPSB) will be holding its annual Spring Conference & Annual General Meeting virtually on May 26-27, 2022. All members of the Board received the information attached at Document 1 and were canvassed as to their interest in attending.

Chair El-Chantiry, Member Valiquet, and Executive Director Ferraro have indicated they would attend on behalf of the Ottawa Police Services Board.

#### Sponsorship

The Ottawa Police Services Board has contributed financially to the OAPSB Conference each year since 2005.

Sponsorship of the conference assists the OAPSB in minimizing costs to members to attend the seminar; offsetting the expenses related to delivering the virtual event and training; purchasing of virtual technology; supporting the marketing and outreach required to inform and communicate with members; and delivering upgrades to their education and training offered to the membership.

### **BACKGROUND**

The OAPSB is the leading voice of police governance in Ontario. They serve their members and stakeholders, as well as the general public, by:

- helping local police services boards fulfill their legislated responsibilities by providing training and networking opportunities and facilitating the transfer of knowledge;
- advocating for improvements in public safety laws and regulations, practices and funding mechanisms.

Their membership includes police services board members, police and law enforcement officials, and other persons involved in policing and public safety.

The OAPSB Conference is one of two annual conferences available in Canada specifically designed for members of police boards, and Ottawa Police Services Board members are encouraged to attend both, particularly within their first two years on the Board. The Ottawa Police Services Board has recognized the importance of ongoing training and education for its members through its policies and in particular through the

training policy adopted in response to a recommendation from the City's Auditor General. The Board also ensures that sufficient funds are included in its budget each year to support its commitment to ongoing education and enable Board members to attend various learning opportunities throughout the year.

Attached at Document 2 is a letter from Patrick Weaver, OAPSB Chair, regarding sponsorship opportunities for the 2022 OAPSB Annual Conference being held from May 26 – 27, 2022.

The Ottawa Police Services Board has contributed financially to the OAPSB Conference each year since 2005.

In exchange for a contribution of this \$1,500, the Ottawa Police Services Board will be recognized as a "Silver Sponsor," which includes recognition on the virtual platform of the conference program, and recognition on the OAPSB website.

The Board's Discretionary Fund Policy attached at Document 3 sets out four categories for priority funding. This request would fall under the category of "Special Board Requirements," which is intended to provide flexibility to the Board to fund requirements associated with Board functions, such as sponsoring events at board-related conferences.

## **CONSULTATION**

Board members were canvassed for their interest in attending the conference and serving on the Board of Directors. There were no expressions of interest.

## **FINANCIAL IMPLICATIONS**

The cost of attending this conference virtually is estimated at \$350 per person plus tax. There are sufficient funds in the 2022 Police Services Board budget to accommodate this request.

The Board is being asked to approve a \$1,500 sponsorship, consistent with previous years' sponsorship of this same event. The proposed \$1,500 sponsorship would be deducted from the Board's discretionary funds. Discretionary funds in the amount of \$121,500 have been included in the Board's 2022 budget.

Based on projected requests for discretionary funding in 2022, there are sufficient funds to cover this expenditure.

REPORTING REQUIREMENT	Annual report to Board in December

### LEGISLATIVE REFERENCE / AUTHORITY

Section 37 of the *Police Services Act* states that the board shall establish its own rules and procedures in performing its duties under the *Act*. This policy was created to provide direction to the Board in allocating discretionary funds at its disposal.

### BOARD POLICY

#### INTRODUCTION

The Ottawa Police Services Board has discretionary funds within its Budget to be used for such purposes as: purchasing tickets or making donations to fundraising events held by organizations working closely with the Police Service; funding members of the Police Service to participate in police-sponsored events; or contributing to programs/projects that further the work of the Police Service in the areas of crime prevention, community policing or other public safety initiatives.

#### GOAL

To establish a Discretionary Fund Policy, consisting of a set of guidelines that identifies recognized funding priorities to assist the Board in allocating the discretionary funds contained within the Board's budget. The guidelines need not limit the Board in its funding of unique projects/functions, but would provide some consistency and rationale in dealing with funding requests that come before the Board for consideration.

## **PRIORITIES**

The Ottawa Police Services Board will give preference to funding requests that fall into one of the following categories:

- Community Relations through Involvement with Police-Related Organizations
  - Intended to enable the Board to purchase tickets or contribute donations to fundraising events. The attendance and participation of Board members at fundraising events for organizations that work closely with the Ottawa Police Service serves to demonstrate the Board's goodwill and community involvement.

For this funding priority, the Board Chair shall have delegated authority to approve expenditures up to \$1,500 from organizations that the Board has a history of supporting. Other requests will require Board approval.

- Board/Police Service Relations
  - To assist members of the police service to participate in police-sponsored events, with the goal of enhancing the image of the Ottawa Police Service in other communities as well as at home.
- Public Education/Awareness
  - To provide funding to projects outside of routine advertisements and the approved Communications Strategy of the Police Service, that assist the Board in communicating to the general public information related to crime prevention, community policing or other public safety issues.
- Special Board Requirements
  - Intended to provide flexibility to the Board to fund one-time requirements associated with Board functions, such as the sponsorship of functions at board-related conferences, or special meeting requirements outside of normal budgetary provisions.

## **ELIGIBILITY CRITERIA**

- Groups and organizations requesting funding must be based in Ottawa and organized along not-for-profit principles. Funding requests from individuals will not be considered.

- The organization receiving funding must clearly provide a benefit for the Ottawa Police Service and the community.
- The activities of the organization must reflect the Mission Statement of the Ottawa Police Service.
- Use of the funds must not extend beyond the current fiscal year.
- Funds cannot be used to cover a deficit from a previous year.
- Funds will only be provided to the group directly responsible for the activity or project being funded.
- As a condition of funding, the organization must be willing to make available, if requested, financial records indicating the disposition of the Board's contribution to the project or activity.
- Funds not used as allocated or not needed within the fiscal year, in whole or in part, shall be returned to the Board.

#### **REPORTING AND ANNUAL REVIEW**

The Board Executive Director shall prepare and submit an annual report to the Board that will summarize for the completed fiscal year all requests for grants and those approved by the Board. This report shall be submitted to coincide with the annual Police budget review. At this time the Board will review the policy to ensure that the funding priorities and criteria remain reasonable and reflective of the Board's own priorities.
