

2. Process for Refinements to Development Agreement for World Exchange Plaza, 45 O'Connor Street

Processus régissant les ajustements apportés à l'entente d'aménagement du World Exchange Plaza, situé au 45, rue O'Connor

Committee recommendation

That Council authorize the General Manager, Planning, Real Estate and Economic Development to negotiate and enter into an amendment to “sunset” the historic development agreement and enable future refinements to the site to be determined through the City’s standard Site Plan revision process and future site plan agreements rather than through negotiations of amendments to the historic agreement.

Recommandation du Comité

Que le Conseil autorise le directeur général de la Planification, de l'Immobilier et du Développement économique à négocier et à conclure une modification visant à mettre fin à l'entente d'aménagement initiale et à permettre l'éventuelle amélioration du site par l'intermédiaire du processus municipal normal de révision du plan d'implantation et dans le cadre de futurs accords de plan d'implantation, plutôt que par la négociation de modifications à apporter à l'entente initiale.

REPORT RECOMMENDATION

That Planning Committee recommend that Council authorize the General Manager, Planning, Real Estate and Economic Development to negotiate and enter into an amendment to “sunset” the historic development agreement and enable future refinements to the site to be determined through the City’s standard Site Plan revision process and future site plan agreements rather than through negotiations of amendments to the historic agreement.

RECOMMANDATION DU RAPPORT

Que le Comité de l'urbanisme recommande au Conseil d'autoriser le directeur général de la Planification, de l'Immobilier et du Développement économique à négocier et à conclure une modification visant à mettre fin à l'entente d'aménagement initiale et à permettre l'éventuelle amélioration du site par l'intermédiaire du processus municipal normal de révision du plan d'implantation et dans le cadre de futurs accords de plan d'implantation, plutôt que par la négociation de modifications à apporter à l'entente initiale.

DISCUSSION

At the January 27, 2022 meeting of the Planning Committee, Councillor Leiper on behalf of Councillor McKenney, introduced the following Notice of Motion, for the Committee's consideration at its meeting of February 10, 2022:

WHEREAS the World Exchange Plaza located between Queen St and Albert St, was developed and has been operating since the 1990s to fulfill its role to the centre of Ottawa's Business District and to the community;

WHEREAS the Development Agreement that was entered into between the City of Ottawa and the World Exchange was as a result of an international competition for the Canlands site that required oversight by Council to insure its implementation;

WHEREAS the World Exchange Plaza implementation is now complete;

AND WHEREAS the appropriate site animation and accessibility updates and sustainability upgrades can more reasonably be dealt with under normalized site plan and development approval processes;

THEREFORE BE IT RESOLVED that the General Manager, Planning, Real Estate and Economic Development be authorized to negotiate and enter into an amendment to "sunset" the historic development agreement and enable future refinements to the site to be determined through the City's standard Site Plan revision process and future site plan agreements rather than through negotiations of amendments to the historic agreement.

The above Motion, for which notice was previously given, is now before the Committee

for its consideration.
